

TO: Russ Stein, Mgr., Groundwater Section, DPWS DATE December 20, 1982

FROM: Karen Heyob thru Paul Flanigan, Mgr., Engineering Section, DHMM

SUBJECT: Hazardous Waste Landfill - U.S. Steel Corporation, Lorain Works

#02-47-0108

In reference to your IOC of 10/6/82, the Division of Hazardous Materials Management requested and received additional hydrogeological information from U.S. Steel Corporation, Lorain Works. Would you please review this information and evaluate actual or potential groundwater contamination at this site?

If you have any questions, please call Karen Heyob at 462-8415.
